FOR IMMEDIATE RELEASE

Water System Flushing Scheduled Columbia Heights Area

- Beacon Hill Water and Sewer District's utility crew will be flushing water mains in the Columbia Heights area from Parkview Drive to Freddie Lane and all streets in between except Nevada Drive and Justin Place, Tuesday, May 29, through Thursday, June 14, 2018.
- Work will begin at 8:00 a.m. and end by 5:00 p.m. each day.
- Advisory signs will be posted in the area.
- Flushing may stir up sediment that can enter residential plumbing.
- Residents should refrain from using water while flushing is occurring.
- After flushing, it is recommended that residents run water through an outside hose bib or in a bathtub for a short time prior to consuming water or washing clothes in order to clear the lines.
